

NEW RICHMOND AREA TIGER SHARK SWIMMING

PAYMENT OPTIONS FOR TUITION

1. **Pay in Full.** All swimmers may use this option, but it will be one of the required options for swimmers with a history of outstanding balances.
2. **Pay in Monthly Installments.** Tuition can be paid in installments with first payment due at registration and the remaining payments due the first of the month. All new swimmers and returning swimmers in good financial standing may use this option.
3. **Installment Prepay.** This is similar to the monthly installment option except that postdated checks are provided to the team sufficient to pay the tuition on the first of each month for the remaining balance. All swimmers may use this option, but it will be one of the required payment options for swimmers with a history of outstanding balances. Swimmers that become delinquent during the season will be required to switch to this option.
4. **Automatic Withdraw.** Automatic withdraw is also similar to the monthly installment option. The first month will be paid at registration and the remaining installments will be withdrawn from a designated checking account by providing the team a voided check and completing the authorization paperwork. Payments will be deducted in equal installments on the first of the month. All swimmers may use this option, but it will be one of the required payment options for swimmers with a history of outstanding balances. This option will only be available prior to the start of the winter season.

Additional Comments

- Monthly installments are due the first of each month. Payments will be considered late on the 6th of each month. Payments not paid by the tenth (10th) of the month, or payment arrangements made with the team by that date, will result in the swimmer being prohibited from practicing with the team and participating in swim meets.
- USA registration fees and any required volunteer deposit(s) must be paid at the time of registration. Fees paid for USA registration and tuition are non-refundable after the determined date. Swimmers must formally withdraw from the team to qualify for a refund.
- Families with more than one swimmer need only make a volunteer deposit(s) for one swimmer.
- The multi-swimmer discount must be requested at the time of registration. Any discount will be applied to the lesser tuition amounts in descending order, i.e., a family with a Tiger swimmer and a Shark swimmer will have the Tiger rate discounted; a family with a Tiger, Shark and Junior will have the Shark rate discounted first and then the Tiger rate discounted.

Other Approximated Costs (non-tuition)

- Swim Suits: Approximately \$30 – 50 USD
- USA Registration: \$50
- Splash Fees: \$3/event
- Travel Expenses
